SOLID WASTE MANAGEMENT DISTRICT Gallatin County Landfill at Logan, Montana

Disposal of Mobile Structures/Units Policy

The Gallatin Solid Waste Management District allows the disposal of abandoned and/or uninhabitable structures such as mobile homes, camp trailers, titled and taxed personal or real property at Logan Landfill. The purpose of this program is to provide for proper disposal of such structures for owners that can be safely transported intact to the Logan Landfill.

In order to qualify for this program, the following guidelines have been established and will be adhered to:

- The Department of Revenue needs to be contacted.
- A Structure Disposal Form must be completed and received prior to receiving the item for disposal at the Logan Landfill.
- Owners must present documentation of ownership at the time of application in the form of a title or bill of sale
- A Mobile Home Moving Permit shall be obtained from the Gallatin County Treasurer's Office.
- Proof that all current and delinquent taxes are paid from the County where property was moved/taxes paid in. In Gallatin County, the Gallatin County Treasurer's Office.
- The Landfill Structure Disposal Form, the moving permit, and proof of taxes paid, must accompany the mobile home/structures, etc. to the landfill. The landfill will not accept the item into the staging area without these documents.

- All units with appliances and tires must be removed. They can be disposed of separately in another area, for an additional charge.
- Due to special handling requirements mobile homes will only be accepted at the Logan Landfill during the following operating hours: Monday through Friday 8:30 am to 3:30 pm. Mobile Homes will not be accepted on Saturdays or holidays.

If proper paperwork cannot be attained, contact the District Manager at 582-4029, to discuss possible alternatives.
